

*Extreme Weather, Floods, Droughts, Rising Seas,  
and Melting Ice Caps...*

## **Climate Change?**

**Or Just Mother Nature Acting Out?**

**This is an opportunity to get the facts on climate change and ask questions from one of the leading experts in the field.**

**Dr. James Hansen,  
*Head of the NASA  
Goddard Institute for  
Space Studies***

**When: Sept. 22, 2011 7:30 p.m.  
Where: Bergen Community College  
TECH Center 128**

**Dr. Hansen was named by Time Magazine as “one of the 100 most influential people” and often called “the father of global warming.” He is the author of *Storms of My Grandchildren* which the LA Times describes as the “opportunity to watch a scientist who is sick of silence and compromise...offers up the fruits of four-plus decades of inquiry and ingenuity just in case he might change the course of history”**

**FREE and open to the public.  
Pre-Registration recommended.
